Ekologicheskii atlas Rossii [Ecological Atlas of Russia, Экологический атлас России]

Kasimov, Nikolai Sergeevich. Moskva, Russia: Feoriia. Hardcover. 509 pages. ISBN 9785917960340. In Russian. 2017. 41 cm. Price: \$553.00

This significant work reflects on the spatio-temporal information on the conditions for the formation of the ecological situation, the economic impact on the environment, the ecological state of the environment, and the measures taken to improve the environment and optimize the environmental situation at the beginning of the 21st century. Ecology is considered here as a consequence of the economic, social and cultural development of the country in recent decades. Data of the State Service for Observations of the State of the Environment, State and Departmental Statistics, and Authorial Developments of Scientific Collectives were used in the making of this atlas. Contains more than 200 maps, accompanied by texts, spacial images and other illustrative materials.
