Featured Publisher

Featured Publisher: Veronica Roodt

Born in Pretoria, South Africa, Veronica Roodt has degrees in Botany and Zoology and in animal physiology. She has spent more than 20 years exploring and mapping Botswana, including several years conducting research on wildlife, plants and their uses from her base in a tented bush camp in the Okavango Delta in Botswana. She is the author of a number of books and maps, including those listed below. According to her, "the most important reason for these publications is to make more people aware of Botswana and Tanzania as tourist destinations; the aim of any map travel or field guide book is to improve the tourist's experience by offering concise, accurate and easy-to-use information."
