Ireland Geological Maps

21-06-001 | [PURCHASE](#)

Mineral Deposits of Ireland.

Ordnance Survey of Ireland. Published 1984. Scale 1:1,000,000. Shows mineral types, size, style, and exploitation on a base of geological formations. In English. Full country coverage, 1 sheet.

21-06-002 | [PURCHASE](#)

Geological Map of Ireland.

Ordnance Survey of Ireland. Published 1962. Scale 1:750,000. Shows geological formations by type and composition. Includes diagrammatic section. In English. Full country coverage, 1 sheet.

21-06-003 | [PURCHASE](#)

Bedrock Geological Map of Ireland.

Geological Survey of Ireland. Published 2006. Scale 1:500,000. Shows geological formations by type, era, and composition. Includes cross-section and diagrammatic space-time legend for Precambrian and Lower Palaeozoic rocks. In English. Full country coverage, 1 sheet.

Japan Geological Maps

21-06-004 | [PURCHASE](#)

Geological Map of Japan.

地質調査総合セン / Geological Survey of Japan. Published 1992. Scale 1:1,000,000. Shows geological formations type and era. In English and Japanese. Full country coverage, 1 sheet.

Japan Geological Maps Cont.

21-06-005 | [PURCHASE](#)

Geological Map of Japan.

地質調査総合セン / Geological Survey of Japan. Published 1982. Scale 1:5,000,000. Shows geological formations type and era, plus bathymetry of surrounding waters. In English. Full country coverage, 1 sheet.

Czechia Geological Maps

21-06-006 | [PURCHASE](#)

Geological Map of the Czech Republic 1:500,000.

Česká Geologická Služba (Czechia). Published 2007. Scale 1:500,000. Shows geological formations by era, type and composition. Includes technostratigraphic schemes and gravimetric map. In English. Full country coverage, 1 sheet.

21-06-007 | [PURCHASE](#)

Tectonic Map of Czechoslovakia.

Geologický ústav Dionýza Štúra (Czechoslovakia). Published 1984. Scale 1:500,000. Shows rocks by type, structural features, and extent, filing, and basement of basins. In English. Full country coverage, 2 sheets.

Yemen Geological Maps

21-06-008 | [PURCHASE](#)

Republic of Yemen Mineral Resources Map.

Geological Survey and Mineral Exploration Board Authority (Yemen). Published 1994. Scale 1:1,000,000. Shows mineral occurrences and geological formations with composition details. In English. Full country coverage, 2 sheets.

21-06-009 | [PURCHASE](#)

Factual Hydrogeological Data Map.

Geological Survey and Mineral Exploration Board Authority (Yemen). Published 1995. Scale 1:500,000. Shows water courses, wadis, wells, and springs on a topographic base. In English. Full country coverage, 8 sheets.

Yemen Geological Maps Cont.

21-06-010 | [PURCHASE](#)

Potential Exploitational Groundwater Resources Map.

Geological Survey and Mineral Exploration Board Authority (Yemen). Published 1995. Scale 1:500,000. Shows hydrogeological structures, aquifer details, and potential groundwater sources. In English. Full country coverage, 8 sheets.

Laos Geological Maps

21-06-011 | [PURCHASE](#)

Lao P.R.R. Geological and Mineral Occurrence Map.

Department of Geology and Mines (Laos). Published 1991. Scale 1:1,000,000. Shows mineral occurrences and geological formations by era, type, and composition. In English. Full country coverage, 1 sheet.

Korea Geological Maps

21-06-012 | [PURCHASE](#)

Geological Map of Korea 1:250,000.

Tokyo Geographical Society (Japan). Published 1954-1956. Scale 1:250,000. Shows geological formations by era, type, and composition. In English. Partial country coverage, 18 sheets.

21-06-013 | [PURCHASE](#)

[Geological Map of Korea].

Geological and Mineral Institute of Korea (North Korea). Published 1973. Scale 1:250,000. Shows geological formations by era and composition. In Chinese and English. Partial country coverage, 7 sheets.

Australia Scientific Maps

21-06-014 | [PURCHASE](#)

Australian Mines and Mineral Deposits: Selected Commodities, Deposits, and Mines.

Geoscience Australia. Published 2010. Scale 1:5,000,000. Shows mineralized regions by geological age, commodities, mines by operating status, and major oil and gas infrastructure. In English. Full country coverage, 1 sheet.

Australia Scientific Maps Cont.

21-06-015 | [PURCHASE](#)

Australia Soil Resources.

Australian Surveying and Land Information Group (Australia). Published 1990. Scale 1:5,000,000. Shows soil types based on soil properties that affect land management, classified by chemical and physical limitations. In English. Full country coverage, 1 sheet.

21-06-016

Australia Land Use.

Division of National Mapping (Australia). Published 1979. Scale 1:5,000,000. Shows urban land, forest land, mines, detailed grazed lands, and detailed cropped lands. In English. Full country coverage, 1 sheet.

21-06-017

Australia Land Tenure Scale 1:4,700,000.

Australian Surveying and Land Information Group (Australia). Published 1993. Scale 1:4,700,000. Shows private land, Aboriginal land, and types of public land, including forestry preserve, nature conservation, crown land, defense land, and mining reserves. In English. Full country coverage, 1 sheet.

Peru Political Maps

21-06-018

Departamento Mapa Fisico Politico.

Instituto Geografico Nacional (Peru). Published 1968-1992. Scale Varies. This series shows relief by tint, national, department, and provincial boundaries, capital cities, detailed roads, and hydrography. In Spanish. Partial country coverage, 4 sheets.

Zimbabwe Land Use Maps

21-06-019

Zimbabwe Land Classification Scale 1:1,000,000.

Instituto Geografico Nacional (Peru). Published 1968-1992. Scale Varies. This series shows relief by tint, national, department, and provincial boundaries, capital cities, detailed roads, and hydrography. In Spanish. Partial country coverage, 4 sheets.

Scientific and Specialty Atlases and Books

Atlas of the Adjacent Regions of the Armenian World. Volume A. Western Armenia

21-06-020 | \$203.00 | [PURCHASE](#)

Atlas of the Adjacent Regions of the Armenian World. Volume A. Western Armenia.

Kollazh, Armenia. Hardcover. 360 pages. ISBN 9789939855714. In Armenian. 2020.

The Atlas of the Armenian World and Adjacent Regions is the first complete and comprehensive cartographic image of our country. Detailed maps (diameter: 1 cm = 3 km) show all the regions, provinces and regions of the Armenian World. In total, Volumes A and B of the Atlas included 70,000 and 60,000 toponyms, respectively. Volume A covers the territory of Western Armenia, Volume B covers Eastern Armenia and the current Armenian states (Armenia and Artsakh). All the Armenian toponyms have been restored in the atlas, the location of many geographical objects has been specified. The maps contain various natural and man-made elements, which have had their Armenian names for about 5,000 years. In addition, the existing Greek, Russian, Arabic, Persian, Assyrian, Hittite, Chaldean and other toponyms existing in the Armenian World have been restored and clarified. The atlas is of interest not only to specialists (Armenologists, geographers, cartographers, etc.) but also to readers interested in the history and geography of Armenia.

Other Atlases

21-06-021 | \$56.00 | [PURCHASE](#)

21-06-028 | \$44.00 | [PURCHASE](#)**Atlas of Migration: New Solidarities to Build.**

Autrement, France. Softcover. 95 pages.
ISBN 9782746760486. In French. 2020.

In this sixth edition, the author emphasizes the need to always think of a world based on mobility.

- Poverty, conflicts, environmental disasters, work, studies, tourism: what are the real factors of migration?
- Between reception and rejection, what are the possible political responses: border closures, expulsions, asylum rights, naturalizations?
- If Europe is facing an unprecedented migration crisis, the challenges of migration in emerging countries are just as numerous.
- Will the global health crisis disrupt the mobility of all and the vision of the Other?

More than 100 fully updated maps and infographics shed light on migratory phenomena and question a number of preconceived ideas.

21-06-029 | \$58.00 | [PURCHASE](#)**Atlas of Chad.**

Les Editions J. A., France. Softcover. 63 pages.
ISBN 9782869504004. In French. 2006.

The Multihazard Risk Atlas of Maldives is composed of Geography-Volume I, Climate and Geophysical Hazards-Volume II, Economy and Demographics-Volume III, Biodiversity-Volume IV, and Summary-Volume V. This atlas provides spatial information about Maldives and thematic maps necessary for assessing future development investments in terms of climate risks and geophysical hazards. It is also intended to support the formulation of cobeneficial options for climate change adaptation and disaster risk reduction and management. The five-volume atlas is a major output of the project "Establishing a National Geospatial Database for Mainstreaming Climate Change Adaptation into Development Activities and Policies in Maldives" under the Asian Development Bank's regional knowledge and support (capacity development) technical assistance Action on Climate Change in South Asia (2013-2018).

21-06-030 | \$40.00 | [PURCHASE](#)**Szabolcs-Szatmár-Bereg: County Atlas.**

21-06-041 | \$125.00 | [PURCHASE](#)**Geographical Survey: Ancient Chinese Maps in the French National Library.**

Zhong yang yan jiu yuan Taiwan shi yan jiu suo, Taiwan. Hardcover. 251 pages. ISBN 9789860579390. In Chinese (traditional). 2018.

The National Library of France also collects many ancient Chinese maps. In October 2014, Professor Lin Tianren from the National Palace Museum was invited to the National Library of France to investigate and sort the old maps collected by the National Library of France. A map interpretation workshop in *Academica Sinica* was set up, chaired by associate researcher Chen Zongren. Individual researchers claimed different maps to interpret. The maps are of various forms, from varying cultures and times.

21-06-042 | \$50.00 | [PURCHASE](#)**Studies on Social Language Geography of Taiwan : language Atlas of Taiwan.**

Qian wei chu ban she, Taiwan. Hardcover. 335 pages. ISBN 9789578018662. In Chinese (traditional). 2019.

The first volume "Taiwanese Language Classification and Division: Theory and Method" is the theory, method and concept of this research, focusing on the meaning of "sociolinguistic geography," "linguistic geography," and "geographic linguistics." The theories and methods of the division, language classification, and the language distribution of Taiwan are briefly explained, and a "Taiwan language distribution full map" is attached as a reference. The second volume, "Taiwan Language Atlas," is a project that delves deep into all counties, cities, towns, villages, and settlements in Taiwan. It investigates, observes, and analyzes all existing languages and dialects in Taiwan, and makes appropriate language classifications and geographical divisions, using GIS computer software ArcView to draw a color atlas. According to the division levels, the atlas has a total of 5 maps of Taiwan, 7 maps of language states, 21 maps of districts, 4 maps of localities, 16 maps of counties and cities, and a total of 105 color maps. Includes detailed "Taiwanese language classification system table," "Taiwan language division system table," and other reference materials.

21-06-043 | \$134.00 | [PURCHASE](#)**Taiwan on the Rare Ancient Maps of the World: From Ancient Rome To The Japanese Empire, Over 2000 Years, Taiwan Is Discovered From 83 Exquisite And Rare Ancient Maps.**

Mao tou ying, Taiwan. Hardcover. 355 pages. ISBN 9789862624586. In Chinese (traditional). 2021.

The atlas selects 83 high-resolution ancient maps from the Roman Empire to the Empire of Japan. It traces Taiwan in the history of the world, depicting the moments when Taiwan entered "the world" through maps, and searches out Taiwan's history and strategic positioning relative to other countries.
